This Notice and the accompanying Information Statement (“Information Statement”) are being furnished by Mustang Bio, Inc., a Delaware corporation (the “Company”) to the holders of shares of our common stock, par value \$0.0001 per share (“Common Stock”) to inform you that, on August 16, 2019, the Board of Directors of the Company (the “Board”) adopted resolutions of the Board to ratify, approve and recommend stockholder approval of an amendment to the Company’s Amended and Restated Certificate of Incorporation, as amended, to revise Article IV, Section A thereof in order to effect an increase in the authorized number of shares of the Company’s Common Stock from 50,000,000 to 85,000,000 (the “Amendment”). On August 16, 2019, the holders of a majority in voting power of issued and outstanding shares of our Common Stock and issued and outstanding shares of our Class A Preferred Stock, par value \$0.0001 (together, the “Majority Holders”) approved the Amendment by written consent in lieu of a meeting (the “Written Consent”).

**INFORMATION STATEMENT PURSUANT TO SECTION 14(c) OF THE SECURITIES
EXCHANGE ACT OF 1934, AS AMENDED**

This Information Statement (the "Information Statement") is being mailed on or about _____, 2019 to the holders of record at the close of business on August 16, 2019 (the "Record Date") of the shares of common stock, par value \$0.0001 per share ("Common Stock") of Mustang Bio, Inc., a Delaware corporation ("Mustang", "we," "our," "us," or the "Company"), in connection with an action taken by written consent (the "Written Consent") of the holders of a majority in voting power of issued and outstanding shares of our Common Stock and issued and outstanding shares of our Class A Preferred Stock, par value \$0.0001 (the "Preferred Stock") (together, the "Majority Holders") in lieu of a meeting to approve an amendment to the Company's Amended and Restated Certificate of Incorporation, as amended (the "Certificate"), to increase the authorized number of shares of our Common Stock from 50,000,000 to 85,000,000 (the "Amendment").

The Majority Holders, beneficially owning 12,791,113 shares of our issued and outstanding Common Stock and 250,000 shares of our issued and outstanding Preferred Stock, have executed the Written Consent approving the Amendment. The Majority Holders held of record on the Record Date approximately 67.2% of the voting power necessary to approve the proposed Amendment. Dissenting stockholders do not have any statutory appraisal rights as a result of the action taken. The Board of Directors of the Company (the "Board") does not intend to solicit any proxies or consents from any other stockholders in connection with this action. All necessary corporate approvals have been obtained, and this Information Statement is furnished solely to advise stockholders of the action taken by the Written Consent.

Section 228 of the Delaware General Corporation Law (the "DGCL") generally provides that any action required to be taken at a meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a written consent thereto is signed by stockholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Pursuant to Section 242 of the DGCL, a majority of the outstanding voting shares of stock entitled to vote thereon is required in order to amend our Certificate to effect the Amendment. In order to eliminate the costs and management time involved in obtaining proxies and to effect the above action as early as possible in order to accomplish the purposes of the Company as herein described, the Board consented to the utilization of, and successfully obtained, written consent of the Majority Holders.

This Information Statement is being distributed pursuant to the requirements of Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") to our stockholders of record on the Record Date. The Amendment will not become effective before the date which is 20 days after this Information Statement is first mailed to our stockholders. The 20-day period is expected to conclude on or about _____, 2019.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith.

Record Date and Vote Required

The close of business on August 16, 2019 has been fixed as the Record Date for the determination of stockholders entitled to vote via written consent. As of such date, we had (i) 39,610,045 shares of our Common Stock outstanding and entitled to vote, (ii) 862,392 shares of our Class A common stock, par value \$0.0001 per share ("Class A Common Stock"), outstanding and entitled to vote, and (iii) 250,000 shares of our Preferred Stock outstanding and entitled to vote. Each share of Common Stock and Class A Common Stock is entitled to one vote on each matter to be voted upon at a meeting or via written consent.

Each share of Preferred Stock is entitled to the number of votes that is equal to one and one-tenth times a fraction, the numerator of which is the sum of (A) the shares of outstanding Common Stock and (B) the whole shares of Common Stock into which the shares of outstanding Class A Common Stock and Preferred Stock are convertible and the denominator of which is the number of shares of outstanding Preferred Stock. As of the Record Date, there were a total of 85,200,019 votes outstanding (39,610,045 Common Stock votes plus 862,392 Class A Common Stock votes plus 44,727,582 Preferred Stock votes).

Pursuant to Section 228 of the DGCL, unless otherwise provided in the Certificate, any corporate action required to be taken at a meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by stockholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all members having a right to vote thereon were present and voted. The Majority Holders, who held in the aggregate the equivalent of 57,268,695 votes, or approximately 67.2% of the voting equity of the Company, voted in favor of the Amendment by executing the Written Consent in lieu of a meeting in accordance with our By-Laws and the DGCL. The Written Consent is sufficient under the DGCL and our By-laws to approve and adopt the action described in this Information Statement. Consequently, no further stockholder action is required.

No Dissenters' Rights

Under the DGCL, the Company's stockholders are not entitled to dissenters' rights with respect to the Amendment effecting the increase in authorized shares of the Company's Common Stock, and the Company will not independently provide stockholders with any such right.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of our directors, executive officers or any associate of a director or executive officer has a substantial interest, direct or indirect, by security holdings or otherwise, in any matter described in this Information Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

ACTION BY BOARD OF DIRECTORS AND MAJORITY HOLDERS

AMENDMENT OF THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

The Board and the Majority Holders have adopted and approved the Amendment to increase the number of our authorized shares of Common Stock from 50,000,000 to 85,000,000. The rights and privileges terms of the additional authorized shares of Common Stock will be identical to those of the currently outstanding shares of Common Stock. However, because the holders of Common Stock do not have preemptive rights to purchase or subscribe for any new issuances of Common Stock, the subsequent potential issuance of additional shares of Common Stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of Common Stock. The Amendment and the creation of additional shares of authorized Common Stock will not alter current stockholders' relative rights and limitations.

The Certificate of Amendment of the Company's Amended and Restated Certificate of Incorporation that reflects the increase in the authorized Common Stock is attached hereto as Appendix A. The increase in authorized Common Stock will become effective upon the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware, which is expected to occur as soon as is reasonably practicable on or after the twentieth (20th) day following the mailing of this Information Statement to the Company's stockholders.

Reason for Increase in Authorized Capital

In order to permit us to raise capital or issue our Common Stock for other business purposes, we need to have available unissued but authorized shares of Common Stock and therefore need to increase the number of shares of our Common Stock authorized for issuance. We believe that the current number of unissued Common Stock is not sufficient to accommodate potential future issuance for proper business purposes.

As a result of the increase in authorized Common Stock, the Company will be able to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, establishing strategic relationships with corporate partners, acquiring or investing in complementary businesses or products, and providing equity incentives to employees.

Effects of Increase

In general, the issuance of any new shares of Common Stock will cause immediate dilution to the Company's existing stockholders, may affect the amount of any dividends paid to such stockholders and may reduce the share of the proceeds of the Company that they would receive upon liquidation of the Company. Another effect of increasing the Company's authorized Common Stock may be to enable the Board to render it more difficult to, or discourage an attempt to, obtain control of the Company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board would, unless prohibited by applicable law, have additional shares of Common Stock available to effect transactions (such as private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company, even if such party is offering a significant premium over the current market price of the Common Stock. Such an issuance of shares of Common Stock would increase the number of outstanding shares, thereby possibly diluting the interest of a party attempting to obtain control of the Company. The Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and the Amendment was not presented with the intent that the increase in the Company's authorized Common Stock be utilized as an anti-takeover measure.
